School-Parent Compact Greater Ohio Virtual School 2026-2027

The Greater Ohio Virtual School, and the parents of students participating in activities, services, and programs funded by Title I, Part A of the Elementary and Secondary Education Act (ESEA) agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the state's high standards. This school-parent compact is in effect during the 2026- 2027 school year.

To understand how working together can benefit your child, it is first important to understand the school's core beliefs and goals.

Beliefs and Goals: Our core beliefs and goals are succinctly stated as follows:

- The effective delivery of educational services and resources is critical to our mission.
- Ongoing planning, assessment, and evaluation drives a growing, dynamic organization and provides effective use of resources.
- Empowering the learning community through technology is a vital necessity.
- Sound educational decisions are driven by accurate data.
- A well-trained and talented staff that continually upgrades its skills is a requirement for a successful organization.
- A spirit of teamwork and cooperation within the organization and with the SPONSOR, our educational partner, must be encouraged and nurtured.
- The school will foster resiliency in students by building on student's strengths. (Resiliency is the ability to adapt and succeed despite risk and adversity.)
- Stakeholders will adhere to the belief that all students can succeed. And they communicate this belief to their students.
- Students will participate in meaningful, engaged learning and experience opportunities to succeed in the school.
- Students will be held to high educational standards and communicate the belief that all students can succeed.
- The school will provide varied opportunities to remediate past failures or academic setbacks in the student's career.
- The school's climate will be marked by caring and support, high expectations, and opportunities for meaningful participation that can counteract the risk factors in child's life.

Teacher Responsibilities

- * Communicate with Parents on a weekly basis
- * Grade lessons in a timely manner
- * Provide appropriate feedback for each lesson submitted
- * Communicate with students individually and as a class on a daily/weekly basis
- * Help communicate school information to students via the VLA message system
- * Partner with GOVS tutors, mentors, guidance counselors, and intervention specialists to monitor student achievement

Greater Ohio Virtual School

24 W 1st St, Franklin, OH 45005
