FOR YOUR SAFETY, PLEASE REMAIN IN YOUR VEHICLE, TURN ENGINE OFF, AND WAIT FOR INSTRUCTIONS.

Maximum 15 Gallons Household Hazardous Waste Limit and 15 Gallons of Paint Limit per Car, and Maximum 60 Linear Feet Limit on Fluorescent Bulbs

Household Hazardous Waste Collection

When disposed of in the trash or poured down a sink or storm drain, the toxic chemical components in products like paint, turpentine, acid or lye-based cleaners, household and car batteries, pesticides, and herbicides will damage the environment.

These items end up in Clearlake or other waterways, endangering the health of all - children, wildlife, pets, and the environment.

Household hazardous waste is collected from Lake County residents the third Friday and Saturday of each month from 9:00 a.m. to 1:00 p.m. at rotating ends of the lake for convenience to all residents in Lake County.

Most items are accepted free. Businesses must make an appointment by calling **707-234-6400** and a fee will apply.

REMEMBER:

- Propane tanks, maximum 5 gallons.
- Electronics and used oil are accepted at no charge at Lake County Waste Solutions' Transfer Station and Clearlake Recycling Center.

Hazardous Materials that Can Be Dropped-Off at HAZ-DROP Include:

- batteries (lithium ion, automotive, household)
- oil & latex paint*
- solvents
- gasoline
- pesticides and herbicides
- pool chemicals
