Delegation Matrix

Georgia State University Model United Nations Conference

Registration Pointers

- Countries will be assigned by the Secretary-General, keeping in mind your country preferences.
- The Secretary-General assigns countries based upon preferences listed at the time of registration and the size of each delegation.
- While we will do our best to accommodate your preferences, please keep in mind that it may not be possible that your delegation will be assigned your first preference.
- Schools may not represent more than one Member State that is a member of the Security Council or countries within close geographic proximity (example: India and Pakistan).
- During initial registration, we reserve the right to balance Security Council powers.
- No school will be allowed to represent the same Permanent Five Member State two consecutive years in a row.
- After registering for the conference on the GSUMUN website, your school will receive a confirmation email with an attached invoice.
- The payment process will be included in the email alongside the invoice.
- The invoice will include the delegation registration fees (due immediately, and required to receive delegation assignment), and the delegate fees for the number of delegates registered.
- **Delegations may be dropped for non-payment by October 31, 2026**, unless approved by the Secretary-General.
- The first round of delegation assignments will not be released until the conference reaches 25% of capacity, except at the discretion of the Secretary-General.
- Upon the receipt of the delegation assignment and invoice, school representatives must confirm the acceptance of their given country assignments. Once the delegate count is confirmed, **outstanding balances must be paid in full no later than October 31, 2026**, unless approved by the Secretary-General.
- Once a school has accepted an assignment, schools assume the financial responsibility for the minimum number of delegates required for the country assignments, and will be billed accordingly. The minimum number of delegates is defined as the number of delegates necessary in order to have at least one representative for the country present in each committee that it is a member.
- Refunds will not be given for bringing less than the minimum number of delegates. You may bring up to each delegation's maximum capacity and be billed accordingly. To double-check the minimum and maximum number of delegates, please refer to the Delegation Matrix below.
- Position Papers are due on **November 2, 2026 by 11:59pm**. To be eligible to receive a Position Paper Award, the position papers must be emailed to sg@gsun.org by the deadline, unless approved by the Secretary-General.

- To be eligible for Position Paper Awards, please follow the guidelines provided in the Delegate Resource Guide on our website. These can be found on committee specific pages of our website.
- If a school finds that they are unable to attend the conference due to extreme circumstances, a letter providing detailed explanation of the situation must be submitted to the Secretary-General prior to the opening ceremonies of the GSUMUN conference. Requests will be evaluated on a case-by-case basis. All decisions are final. If your appeal is denied, your institution remains financially liable for all fees assessed.
- If you have questions regarding the appeals process, please contact the Secretary-General at:
 - sg@gsunmun.org
