Benefits App

You'll have convenient access to your benefits and more through your smartphone or tablet — whenever, wherever, and however you want!

Scan the QR code or visit austincollege.mybenefitsapp.com for 24/7 access to your benefits.

Whether you need a doctor or simply need to know what your plan pays, it's all right there in the palm of your hand.

- **ID Cards.** A generic ID card is available within the app. Save a digital copy to your phone so you can easily share it at the doctor's office.
- **Contact Information.** Quickly find carrier contact information and online resources.
- **Important Plan Documents.** Find all your plan documents in one convenient location.
