

25 Total Guests!

All guests will be accommodated for the wedding weekend. The hotel where the wedding takes place has 9 rooms total. To accommodate for all guests we have booked a separate hotel (the same brand- Lark hotels) which has 6 rooms total. The two hotels are The Blind Tiger-Danforth, and The Blind Tiger-Carleton. Both hotels are very close together- an 11 minute walk or 3 minute drive. Check in dates are different depending on what hotel you are in. If you wish to extend your stay or book earlier before the wedding you would need to reach out to the hotel.

The ceremony will start at 3pm on December 12th. Guests should try to be ready and seated at least 10 minutes prior to 3pm. For the people staying in the Carleton hotel, you will have to be in Portland on the 12th around morning-noon to be able to get ready for the wedding. Since your check in is not until 4pm feel free to store bags and get ready at the Danforth location. Or feel free to book a hotel separately for that early arrival. The Carleton may have your room available for the 11th otherwise there are many more wonderful hotels in the area.
