

Make Your Brand Heard Wherever Your Audience Listens

Dail Digital brings the strategy, placement, and creative direction together. We help shape an audio campaign around your audience and market, then deliver your message to the places your audience already listens.

REACH THE RIGHT LISTENERS

Target audiences based on location, interests, and listening habits.

3h 50m

Adults 18+ in the U.S. average 3 hours and 50 minutes of daily audio listening.

BE MEMORABLE

Use sound and storytelling to capture attention and reinforce your brand.

73%

of study participants said they are open to audio streaming ads*

EXPAND YOUR REACH

Deliver your message across streaming audio, podcasts, and popular listening platforms.

78%

of people prefer to listen to music through streaming services.

TURN UP YOUR BRAND'S REACH

Let's build a campaign designed for the people you want to reach.
