

Show Your Brand In Action and Give People a Reason to Watch

Dail Digital brings the audience strategy, media placement, and creative direction together. We shape video campaigns around your market, goals, and budget, then place your story across the screens your customers already watch.

TELL A STORY THAT STICKS

Bring products, services, and customer outcomes to life with a focused visual message.

53%

of B2B marketing decision-makers planned to invest more in video.

BUILD TRUST FASTER

Show what makes your business different and help viewers understand why they should choose you.

72.4%

Ad-supported platforms accounted for 72.4% of total TV viewing.

REACH VIEWERS ACROSS SCREENS

Connect with audiences through streaming video, connected TV, websites, and apps.

72%

of consumers prefer watching a video to learn about a product or service.

PUT YOUR STORY IN MOTION

Let's build a video campaign designed around your audience and goals.
