

inaura:

inaura:

A photograph of a modern building entrance. The entrance features a dark, possibly black, door with a small horizontal slot near the top and a silver handle. The door is set within a light-colored concrete frame. In front of the door are two concrete steps. The ground in the foreground is paved with light-colored concrete. There are two metal grates on the ground: a large, dark, rectangular grate with a grid pattern in the lower left, and a smaller, rectangular grate with a decorative pattern in the lower right. The text "Made to *move*" is overlaid in white, with "move" in italics.

Made to *move*

A full-body photograph of a man with short dark hair and a light beard, walking towards the camera on a city street. He is wearing a matching purple V-neck short-sleeved scrub top and purple scrub pants. His right hand is in his pocket, and his left arm is slightly bent. He is wearing dark green sneakers. The background shows a crosswalk with white stripes on a grey asphalt road. A portion of a blue car is visible in the bottom right corner. The brand name 'inaura:' is overlaid in white text on the left side of the image.

inaura:

A man with short dark hair and a light beard is crouching against a light teal background. He is wearing teal-colored medical scrubs, consisting of a short-sleeved V-neck top and matching trousers. He is also wearing white athletic sneakers with white laces. He is looking directly at the camera with a neutral expression. The text "Made to feel good" is overlaid on the image in a white, elegant script font.

Made to *feel good*

Made for *real life*

Work doesn't stand still. Neither do you.  
From the first step of the day to the last, your  
role demands constant motion - bending,  
reaching, lifting, running, resetting. So what  
you wear has to keep up.

Engineered to stretch, breathe and support  
through every shift, these are scrubs designed  
for real movement - not just made to be worn.  
Because when your uniform moves with you,  
you move with more ease, more confidence,  
more control.

Designed for real shifts.  
Built for real movement.  
Made for *real life*.

# Classic

Our Classic range keep things simple. Soft-touch fabric with built-in stretch. Easy to care for, tough enough for industrial washing, and designed for everyday wear. Simple. Reliable. Ready for work.
