Almost Time

Would like to thank all the people that came out to help at the last work party. A lot of hands made the work go quickly. Special thanks to Steve Paulson for bringing out his log splitter, it sure made the splitting a lot easier. We were able to split big chunks into nice fireplace size peace and stack in the wood storage shed.

We will be having one more big work party on October 10, to take care of Setting decoys, brushing the blinds and launching the boat.

Last item on the list is the Annual

SCHEDULED WORK PARTIES

Scheduled Work Party Saturday 9:00AM Oct. 10, 2026:

- 1). Launch our two boats.
- 2). Set out 400-600 duck decoys front and back lakes.
- 3). Brush Front Lake, and field blinds.
- 4). Repair South Lake Blind.

Hope to see everybody there. Thanks
