Trapp Shoot and Projects

We will be having our first trap shoot on June 20 at the time we will have some of the new shooting members present so everybody can have a chance to meet and greet. We have a brand-new trap machine thanks to Heath so should be a lot of fun. Possibly a new owner as well.

As always, we will be having our yearly mid-summer Owner meeting on July 11, just ahead of the July Trap shoot. (I will
