THE MARINAVIEW DIFFERENCE

What children experience

The Toddler Program brings together care, meaningful routines, and experiences that support the whole child.

THE TODDLER EXPERIENCE

Nurturing care

Teachers provide a loving setting where children can feel safe and secure while away from home.

THE TODDLER EXPERIENCE

Room to explore

Art and sensory materials, toys, manipulatives, Circle Time, stories, music, and creative movement are part of the daily routine.

THE TODDLER EXPERIENCE

Growing communication

Children practice expressing their feelings and working through differences with words.

THE TODDLER EXPERIENCE

Support for transitions

Children do not need to be potty trained to join the Toddler Program. Teachers are happy to support families when they begin toilet training.
