OUR PROGRAMS

The Infant Program

Care and learning, designed for this stage.

The Infant Program welcomes children ages 12 to 24 months. Attentive care and familiar routines help each child feel warm and secure as they explore at their own pace.

AGE RANGE	PROGRAM DETAIL	DAILY RHYTHM
12 to 24 months	1:4 teacher-to-child ratio	Care routines, sensory play, rest, and outdoor time

A MARINAVIEW APPROACH

Known, cared for, ready.

Each program is designed to give children age-appropriate experiences, steady routines, and room to grow with confidence.

THE MARINAVIEW DIFFERENCE

What children experience

The Infant Program brings together care, meaningful routines, and experiences that support the whole child.

THE INFANT EXPERIENCE

Warm, attentive care

Caregivers respond closely to each child's needs. Gentle interaction, conversation, listening, and soft music are part of daily care.

THE INFANT EXPERIENCE

Sensory and physical discovery

Age-appropriate activities invite children to explore through their senses, move, and discover the world around them.

THE INFANT EXPERIENCE

A space for infants

The infant room provides a comfortable setting with a feeding table, private play yard, assigned cubbies, and an individual sleeping mat for each child.

THE INFANT EXPERIENCE

Growing skills

Daily experiences support social and emotional development, language and understanding, large-muscle movement, and small-muscle development.

FAMILY CONNECTION

How families stay connected

Families receive a daily report about care routines, meals, rest, activities, mood, supplies, and caregiver comments. It offers a practical picture of the child's day and a starting point for conversation.

What to bring

Details that help families feel prepared.

Before the first day, confirm current quantities, labeling, and procedures with the school.

- For full-time attendance, eight diapers each day; replenish labeled wipes and ointment as needed.
- Three labeled changes of clothing, including socks, plus a sweater or jacket.
- A labeled crib-size blanket and fitted sheet for the child's sleeping mat.
- A labeled tote for belongings and a lunch box with each food container labeled.
- A labeled special sleep item, if your child uses one.
- Complete a Medication Form before any medication can be administered.
