

Summary of Benefits and Coverage: What this Plan Covers & What You Pay for Covered Services

Coverage Period: 01/01/2026-12/31/2026

Coverage for: Individual/Family | Plan Type: HMO

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage see <https://kp.org/plandocuments> or call 1-800-278-3296 (TTY: 711). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary/ or call 1-800-278-3296 (TTY: 711) to request a copy.

Important Questions	Answers	Why this Matters:
What is the overall deductible ?	\$0	See the Common Medical Events chart below for your costs for services this plan covers.
Are there services covered before you meet your deductible ?	Not Applicable.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan ?	\$1,500 Individual / \$3,000 Family	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit ?	Premiums , health care this plan doesn't cover, and services indicated in chart starting on page 2.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes. See www.kp.org or call 1-800-278-3296 (TTY: 711) for a list of network providers .	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	Yes, but you may self-refer to certain specialists .	This plan will pay some or all of the costs to see a specialist for covered services but only if you have a referral before you see the specialist .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.

ASH Participating Providers

The list of ASH Participating Providers is available on the ASH Plans Website at ashlink.com/ash/kp or from the ASH Plans Customer Service Department at **1-800-678-9133** (TTY users call 711) weekdays, hours may vary. How to Obtain Services

You can obtain services from any ASH Participating Providers without a referral from a Plan Physician.

To obtain services, call an ASH Participating Provider to schedule an initial examination. If additional Services are required after the initial examination, verification that the Services are Medically Necessary may be required. Your ASH Participating Provider will request any required medical necessity determinations. An ASH Plans' clinician in the same or similar specialty as the provider of Services under review will determine whether the Services are or were Medically Necessary Services. For more information about how to obtain covered Services, refer to the Chiropractic Services amendment to your Health Plan *EOC*.

Second Opinions

You may request a second opinion in regard to covered Service by contacting another ASH Participating Provider. Your visit to another ASH Participating Provider for a second opinion generally will count toward any visit limit, if applicable. An ASH Participating Provider may also request a second opinion in regard to covered Services by referring you to another ASH Participating Provider in the same or similar specialty. If you are referred by an ASH Participating Provider to another ASH Participating Provider, or see an ASH Participating Provider for lab work or an X-ray, your visit to the other ASH Participating Provider will not count toward any visit limit. An authorization or denial of your request for a second opinion will be provided in an expeditious manner, as appropriate for your condition. If your request for a second opinion is denied, you will be notified in writing of the reasons for the denial, and of your right to file a grievance as described in your Health Plan *EOC*.

Your Costs

When you receive covered Services, you must pay the Cost Share as described in the Chiropractic Services amendment to your Health Plan *EOC*. The Cost Share does not apply toward the Plan Deductible or Plan Out-of-Pocket Maximum described in the Health Plan *EOC*.

ASH Plans Customer Service

If you have question about the Services you can get from an ASH Participating Provider, you may call the ASH Plans Customer Service Department toll free at **1-800-678-9133** (TTY users call **711**) weekdays, hours may vary.
