FOCUS

Mandelieu, where connections happen

A photograph of the Mandelieu-la-Napoule castle, a large stone structure with multiple towers and battlements, situated on a hill overlooking the Mediterranean Sea. The foreground shows some stone ruins and greenery. The sky is blue with some clouds, and snow-capped mountains are visible in the distance.

© Christian Retaggi

Set on the French Riviera, between the Mediterranean Sea and the Estérel mountains, Mandelieu-la-Napoule provides an inspiring setting for the IBF/27. Close to Cannes and easily accessible, it offers the ideal environment to bring together international industry leaders, foster meaningful connections and create new business opportunities across the fusion ecosystem.
