We Take The “Unk” Out Of Splunk!

WHO WE ARE

- Splunk Experts with 250+ Years of Collective Experience.
- No Pressure. No Licensing Pitch. Just Answers.
- We Remove the Splunk Unknowns.

Are you drowning in the unknowns, complexities, and anxieties of Splunk? We can help. Our goal is to make it point-and-click-easy for you to operate Splunk. You invested in Splunk for solutions, not confusion.

You made a wise move choosing Splunk. After all, Splunk is the #1 platform for machine data analytics supporting security, IT operations, and observability use cases.

Yet, Splunk is a journey – we get it.

WHAT WE DO

Our job is to make you successful. We help you deliver results, accurately and quickly.

Don't let chaos and anxiety control your Splunk experience.

Don't fall into traps with unexpected 6-figure fees.

Don't let big security events go undetected on your watch.

You've come this far. Don't let Splunk ingest data and spit you out along the way. It's time you see the ROI you deserve.

WHAT WE OFFER

Do you want to empower your team to yield results?

Are you hoping that your one-and-only Splunk-proficient employee won't walk off the job with all your hard work?

That's just way too much risk.

We aren't here to upsell you Splunk licensing, we help you optimize what you already have. Here's how.

- Splunk Assessment with Recommendations
- Tackling the Top 3 Challenges Driving SVC Consumption
- How to Avoid 6-Figure Surprise Fees
- Performance and Cost Optimization
- Implementation and Migration Assistance
- Solutions and Use Case Development
- "Expertise on Staff" Services
- Splunk Managed Services
- Fractional Splunk Administrators
- And, more.

HOW TO START

Splunk Pain Removal process

Step 1: Call our Customer Experience Team.

Step 2: Explain the top Splunk problems you're wrestling with.

Step 3: See the results you've been waiting for.
