Willesden, London NW10

ABOUT BUILDSPACE

Building trust, one project at a time.

BuildSpace is a London-based design-and-build company, specialising in extensions, loft conversions and full home renovations — handling every project from initial design through to the final finish.

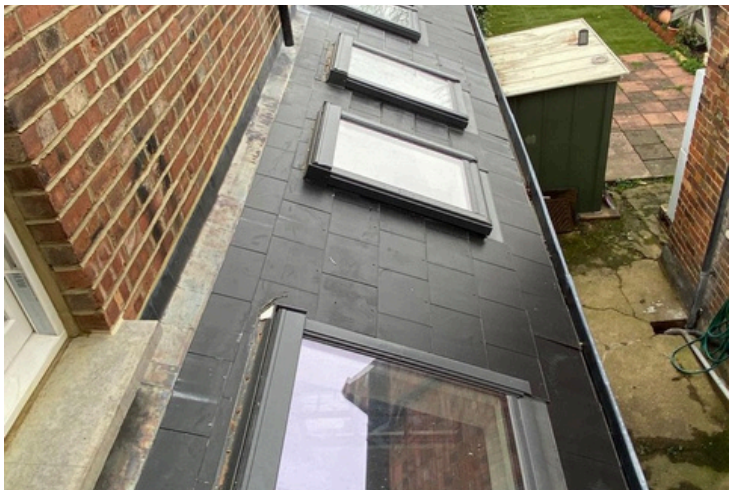

This case study takes a look inside one of our recent projects, showing the finished result in pictures.

Ilex Road

LOFT CONVERSIONS · EXTENSIONS · REFURBISHMENTS

Extension

A new extension transformed the home, creating a bright and practical space for everyday living. Carefully planned insulation, generous glazing and bespoke finishes ensure the new room feels comfortable, welcoming and naturally connected to the original property.
