Dr. HAY Ly Eang Penh House and Confirel Founder

Hospitality and local organic products, a natural alliance.

Many of the products used at this restaurant come from Confirel, a local organic food company which, like Penh House and Jungle Addition, was born from the passion of Khmer-French pharmacist Dr. HAY Ly Eang.

Confirel has been dedicated to sustainable rural development for more than 20 years. It promotes, through innovation and technology, a range of food products typical of the country’s provinces, so that they could meet the highest standards of quality and ethics. Some of these were the first in Cambodia to obtain a Protected Geographical Indication (PGI) recognized by the European Union like the Kampong Speu palm sugar and the Kampot pepper.

You can now taste around forty products, such as Kirum anti-oxidant infusions with Kampot pepper inflorescences, palm sugar and Thnot confectionery, Jaya spirits and many others, served at Penh House Restaurant and available at the Lobby pop-up store.
