Business Partners of ICT

Kohlberg, Sep. 18th, 2026

ICT AG becomes Econocom ICT GmbH – what changes apply

Dear Business Partners,

ICT AG has been legally merged into ICT Holding GmbH, and the absorbing company has changed its name at the same time. The merger agreement, the applications to the commercial register and the new articles of association were notarised on 6 August 2026. Upon registration in the commercial register of the Stuttgart Local Court (Amtsgericht Stuttgart) on 17.09.2026, the company operates under the name

Econocom ICT GmbH

ICT AG has therefore ceased to exist as a legal entity; Econocom ICT GmbH continues all business relationships unchanged as its universal successor.

All contracts remain in force and our cooperation continues unchanged.

Framework agreements, purchase orders, contracts, prices and terms, as well as service, maintenance and warranty commitments, continue to apply without change. Contacts, phone numbers, email addresses and our postal address stay the same. No new contracts or amendments are required – all rights and obligations transfer by operation of law.

What does change are our company details. We kindly ask you to update them in your systems and – where relevant for you – to take the following steps.

Our company details from 17.09.2026

- Company name: Econocom ICT GmbH (formerly ICT AG)
- Legal form: GmbH, Managing Directors Christian Pusch and Erik Wolff
- Commercial register: Amtsgericht Stuttgart, HRB 752315 (formerly HRB 225034)
- VAT ID: DE315952682 · Tax number: 74051/07397
- Bank account holder Econocom ICT GmbH – IBAN and BIC remain unchanged

What we kindly ask you to do – ideally by 17.09.2026

- 1. Update the existing record rather than creating a new one:** Please change the existing master record from “ICT AG” to “Econocom ICT GmbH” and enter the new VAT ID and register details.
- 2. Invoices to us from 17.09.2026:** From that date, please issue invoices to Econocom ICT GmbH quoting the new VAT ID. Invoices issued later and still addressed to ICT AG do not meet the mandatory requirements of section 14 of the German VAT Act and will have to be returned for correction.
- 3. Invoices dated before the registration remain valid:** Documents dated before the registration date are issued to or by ICT AG and remain fully valid – in both directions. Please do not cancel or reissue them.
- 4. Payments and payee names:** Our bank details remain unchanged. Payments can be made to either “Econocom ICT GmbH” or “ICT AG”, as a corresponding alias has been registered for Verification of Payee. Please still inform your accounting and dunning teams so that payments are allocated correctly.
- 5. Purchase orders and order documents:** Please address new purchase orders, order confirmations and call-offs under framework agreements to Econocom ICT GmbH from the registration date onwards. Orders already placed and ongoing projects remain valid.
- 6. Securities, licences and certificates:** Guarantees, bonds, retentions, powers of attorney, licences and certificates issued in the name of ICT AG remain valid. If you require them to be reissued, please contact us at verschmelzung@ict.de. The same applies if your terms and conditions require notification or consent in the event of legal succession.

All documents and questions in one place

We have published this information permanently at ict.de/verschmelzung – together with the current commercial register report and our organisational chart showing the new structure. Both are available for download there.

For any questions we have set up the mailbox verschmelzung@ict.de. Write to us there and we will respond promptly on master data, invoices, contracts and documents. Your usual contacts remain available as before.

The purpose of this step is to simplify our group structure. Our portfolio, locations and teams remain unchanged – the same people and the same commitments, from now on under the name Econocom ICT GmbH.

Thank you for your trust and for the good cooperation.

Kind regards

Econocom ICT GmbH
