

COMPANY PROFILE

Capability Statement

Barling's Woodworks Pty Ltd — family-owned Australian manufacturer of timber bollards, post & rail fencing, school crossing posts and park furniture, trading since 1996.

Company Overview

- **Established:** 1996 — 30 years in continuous operation, family-owned and operated.
- **ABN:** 46 123 053 967
- **Address:** 14 Shelley Ave, Kilsyth VIC 3137
- **Contact:** (03) 9724 9600 | sales@barlings.com.au | www.barlings.com.au

Core Capabilities

- **Timber Bollards:** Custom-made to any council or client specification — pyramid, dome, splay, chamfer or peak tops, collars, chain/pipe/cable holes, impact holes and reflectors.
- **Bollard Sleeves:** Removable and lockable sleeve systems, designed and fabricated in-house.
- **Post & Rail Fencing:** Styles P1 to P5 (one to four rails), standard and custom gate posts, any length or spacing to suit the site.
- **School Crossing Posts:** Manufactured and painted to council specification.
- **Timber Park Furniture:** Custom outdoor and park furniture for public and commercial spaces.
- **Custom Fabrication:** In-house welding department for removable/collapsible bollard sleeves and custom metal-and-timber fabrication.

Materials & Quality

- **Primary Timber:** Forest-certified Australian White Cypress Pine — naturally termite-resistant, F7 structural rated, chemical-free.
- **Hardwood Options:** Spotted Gum and Ironbark available for bollards and structural applications.
- **Sourcing:** Verified chain of custody from reputable, forest-certified mills. Only suppliers meeting our stringent criteria contribute to production.

Manufacturing & Delivery

- **In-House Equipment:** 6-headed moulder, multiple docking saws, CNC Router, Thicknesser, Auto docker, and full welding department — all production is completed on-site at our Kilsyth workshop.
- **Standard Lead Time:** 3-5 working days (2 weeks for School Crossing Posts, due to the painting process).
- **Delivery:** Melbourne and Victoria-wide delivery; freight arranged Australia-wide on request.

Government & Council Experience

Barling's Woodworks has supplied timber bollards, fencing and street furniture to local councils and government organisations across Victoria for over three decades, alongside homeowners, land developers, and fencing and landscaping contractors. Councils supplied include:

- Maroondah City Council • Banyule City Council • Wyndham City Council
- Greater Shepparton • Yarra Ranges Council • Wellington Shire Council
- Manningham City Council • Frankston City Council • Hume City Council

BARLING'S WOODWORKS
