Authorization to Open Smart Lock Unit

This request is not yet authorized until two (2) forms of verification have been provided.

Name (First)	(Last)	Facility Name
_____	_____	_____

I authorize the employees of this self-storage facility to unlock my smart lock using their device, as I do not have access to the required app. I understand that an access log will record the time and user, and it will reflect that the lock was opened on my behalf.
