MEDUSA

The first true supper club in the Philippines. A unique concept that blends dinner and nightlife in one space, Medusa offers a seamless transition from curated dining to high-energy late nights.

The architecture at Medusa does more than set the scene—it shapes the entire experience. From supper to late night, every surface, light shift, and layout decision is designed to guide energy and movement. It's a space where design isn't just visual—it's felt.

Medusa accommodates up to 150 guests for seated dinner experiences. The venue features three full-service bars, a dedicated DJ booth, and a private room designed for discreet and personalized VVIP service, making it ideal for intimate, high-touch events and exclusive gatherings.
