

Residential Curbside Service

Trash Pickup, Recycling, & Yard Waste Removal Without Sacrificing Convenience

Comfort, convenience, and environmental stewardship start at home! So does our residential curbside service. Let Florida Express Waste and Recycling provide your gated community, homeowner's association, or property management company with a customized service package — and the ability to pick up items such as trash, recycling, yard waste, and more! We provide subscription services to all homeowners in our areas of service.

The Florida Express Waste and Recycling Advantage

- ✓ **Cleanliness** - Our trucks are maintained to like new conditions to ensure our fleet is reliable and leak-free.
- ✓ **Convenience** - We're locally owned and operated in the communities we serve — making curbside pickup a breeze for your neighborhood.
- ✓ **Reliability** - You can count on Florida Express Environmental to be on time, every time — like clockwork!
- ✓ **Automation** - Inquire about automated collection that improves the appearance, safety & reliability within your community.

What Clients Are Saying

“Great garbage company! They have the nicest drivers and helpers. Their trucks are really nice. When I moved in they took all my cardboard boxes at the curb. I will be a long-term customer.”
