Racket & Combat

Win 1

Fill the podium

Get all 5 colours on your podium.

OR

Win 2

Empty your deck

Be the first to run out of cards.

Let's Play!

GET READY

1

10 CARDS

Build your deck

Build a 10-card deck with at least one of every colour. Max two 10s!

2

Shuffle & split

Shuffle. Split in half, pop the bottom half on top. Face down!

3

Who's first?

Rock Paper Scissors. The winner calls first.

BATTLE!

4

STAT

Take 2 & call a stat

>> SPEED ↔ STR ↔ SKILL

Both players pull two cards, and the first player chooses a stat. The other player chooses a card to battle.

5

3-2-1

FLIP!

3... 2... 1... FLIP!

The highest number wins the round.

6

Take the podium

Winners card goes to their podium. Losers goes to the bottom of their pile. Both players pick a new card from their pile and the loser chooses a stat.

It's a tie?!

Play your 2nd card on the same stat and flip again, winner takes both. Still tied? Draw a new card and flip! Repeat until there's a winner.

BEST OF THREE

Become the Winner!

Win a game by filling the podium or emptying your deck. Play best of three – the loser goes first next game. Win two games and you're the overall winner!

Now grab your deck and find out who's the GRRREATEST!
