Ampleo HR

AmpHR Hub

Expert HR guidance, on demand, without the cost of a full-time hire.

Real HR challenges show up long before you're ready to hire a full-time HR leader: compliance questions, hiring decisions, employee conflicts, documentation you don't have time to build from scratch. The AHR Hub puts a senior Ampleo HR Manager on call, whenever you need one.

$650 / MONTH, 12-MONTH TERM, BILLED MONTHLY

What's included

Phone-a-Friend Access

Two 1:1 calls a month with a senior Ampleo HR Manager: real answers on employee situations, compliance checks, terminations, hiring questions. Book straight off a shared calendar.

Foundation Document Library

On-demand access to Ampleo's vetted templates: offer letters, handbooks, I-9/W-4 checklists, PIPs, job descriptions, termination docs, and onboarding checklists.

Quarterly Live Trainings

Four group sessions a year on the topics that matter right now: remote team management, difficult conversations, legal hiring, building accountability.

Monthly Compliance Newsletter

Federal and state employment law updates, compliance deadlines, and best practices, delivered the first week of every month before it becomes a problem.

Who it's for

Small and early-stage businesses that face real HR problems but aren't ready for a full-time or embedded HR leader. Reactive by design: you reach out when you need us, and we're ready when you do.

Outgrowing reactive support? When it's time for Ampleo to own recruiting, run performance reviews or lead HR projects on your behalf, we'll help you step up to an embedded HR Manager engagement, and we'll walk you through the change before it happens.
