EXPLORER AND RANGER BOAT MODELS

Ali-Craft all welded aluminum boats have gained a reputation throughout the world that's synonymous with high quality and above average performance.

EXPLORER MODEL

Designed as an all-around hull platform, best for slow speed planing and load packing. Great for hunting, fishing and exploring.

Dimensions:

- Length : 18'
- Beam : 8' 2"
- Vee angle at tans 8°, 10°, 12° (may be altered)
- Bottom width: 6' 6"

RANGER MODEL

Designed as a deep water hull with better characteristics for cutting waves with its longer bow plates.

Dimensions:

- Length : 19' or bigger
- Beam : 8' 2"
- Vee angle at tans 8°, 10°, 12° (may be altered)
- Bottom width: 6' 6"

Hull Details:

- Bottom 1/4" 5086 (standard)
- Bottom 1/4" 6061 (heavy duty)
- Sides 1/8" 5086
- Transom 3/16" 5086
- Hull 6 Stringers (standard)
- Hull 8-10 Stringers (heavy duty)
- Chine, transom, and bilge reinforcing (heavy duty model)
- UHMW bottom reinforcement 4' or Full bottom 1/2" on standard, 3/4" centre with 1/2" wings and tips on heavy duty
- Floor 1/2" Treated plywood wrapped with marine grade vinyl
- Windows tinted glass
- Custom fabricated 1/8" 5052 aluminum fuel tanks
