

OIKOS EAST AFRICA

TENDER NO: TZ/OEA/FIN/TEN/2026/001

for

Supply and Install Solar Pumping System for 25 Water schemes (9 in Kiteto district, 7 in Babati District, 3 in Hanang' District, 4 in Mbulu District and 2 in Simanjiro district), Manyara Region

Invitation for Tenders

Date: 10th July, 2026

WHEREAS

Istituto Oikos (hereinafter referred to as IO), an environment and development Non-Governmental Organization (NGO) based in Milan (Italy) has received support by Carbonsink Group (hereinafter referred to as the Donor) under the project “**Carbon Credit financing for sustainable rural water supply in Manyara Region**” That will be implemented by IO and Oikos East Africa (hereinafter referred to as OEA) in collaboration with RUWASA Manyara and its local District Offices from Babati, Hanang, Kiteto, Mbulu and Simanjiro. The project objective is to improve access to safe water and sustainability of rural water supply services within the Districts of Manyara Region, through Carbon Credit financing. The project builds upon a long-term collaboration between RUWASA, OIKOS and Manyara Regional Secretariat in the WASH sector. The project gives priority to remote and poor rural populations within the five targeted Districts of the Manyara region whereby a total of 72 new water schemes will be targeted within the five Districts and a total of 89 villages will benefit from the project. The project will guarantee the sustainable supply of safe water to over 224,171 users through solar pumping water systems and gravity distribution networks.

The Project foresees the Supply and Install Solar Pumping System for 25 Water schemes (9 in Kiteto district, 7 in Babati District, 3 in Hanang' District, 4 in Mbulu District and 2 in Simanjiro district), Manyara Region.

Oikos East Africa invites sealed tenders from eligible contractors registered in Class V and above to bid on the following
