COCKTAILS

WATERLOO BLUE

Surrender to the Swedish sweethearts ABBA with this martini recipe. This iconic blue drink is **almost as kitsch as Agatha's blue pantsuit.**

60ml Vodka, 15ml Blue Curacao, Lime Juice, Lemonade

Mix vodka and blue Curacao over ice in a cocktail glass gently with a stirrer. Add lemonade to taste and a dash of lime juice. Garnish with an orange peel twist.

HARD ROCK HALLELUJAH

A hard drink inspired by a hard group - Finnish 2006 winners Lordi, who have made history by being the only heavy metal band to win Eurovision.

Chilli pepper, 10 coriander (cilantro) leaves with stem, 50ml tequila or Mezcal, 20ml agave nectar / honey, 25ml fresh lime juice

Crush a small piece of chilli into your cocktail shaker. Hand-clap the coriander (cilantro) and drop in. Add the rest of the ingredients, then shake and fine strain into an ice-filled glass. Use the stem of the chilli to garnish with a sort of spicy hat.

THE PHOENIX PUNCH

(Mocktail)

Rise like a phoenix (or Conchita Wurst) with this refreshingly cool mocktail, and join us in toasting the first drag act to take the Eurovision crown in 2014.

100ml tropical juice, 100ml ginger ale, 100ml lemonade, strawberry halves and mint

The easiest drink ever, literally just pour it all in a glass over ice and give them a stir. For a touch of Conchita, add some edible glitter!

EUROVISION

In need of inspiration for your at-home Eurovision After Party? Look no further, we've compiled a list of the top Karaoke Party Games. Head over to our app now to find all the Eurovision songs you could wish for, from this year's entries to those stone-cold classics.

GUESS THE COUNTRY

Each pick a country and perform their song from our Eurovision playlist on the Sing King app.

Everyone guesses which country's entry you're singing. Double points for those who correctly guess the year!

LOST LYRICS

Hide the screen playing a Sing King video so only the performer can see.

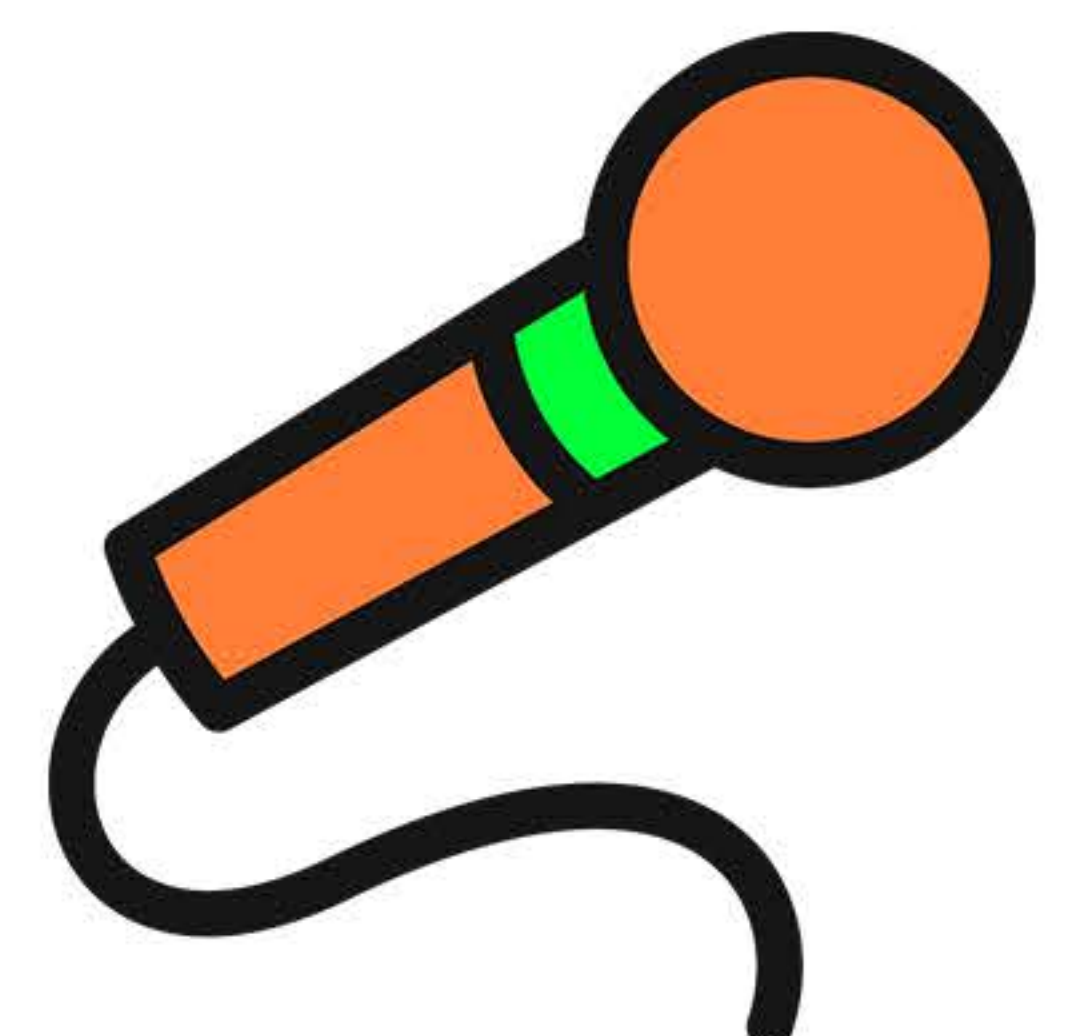

When singing, skip a few key words out. The points going to whoever can fill in the gap perfectly.

KARAOKE ROULETTE

Two bowls, one with the names of your guests in and the other with songs from our Eurovision playlist.

Take a lucky dip from both bowls and hand over the microphone!
