February 17

Planning and Zoning Meeting 7:00 pm

February 19

Beautification Meeting 10:00 am

February 26

Town Council Work Meeting 7:00 pm

Elected Officials - At the beginning of January, Mayor Noreen Johnson, Councilmember Weston Johnson, and Councilmember Kerry Stevens were officially sworn in to begin their four-year elected terms. We are glad for their continued service to our community.

B&C Road Funds - The Council allocated funding from B&C Road funds for road maintenance. With these funds we were able to complete crack sealing on roads throughout town, helping extend pavement life.

Public Hearing - The Bicknell Town Planning Commission held a public hearing to consider a proposed zoning change for properties bordering Highway 24 and Main Street that are not currently in the Commercial Residential Zone. The proposal would rezone all properties along Highway 24 and Main Street to Commercial Residential, extending the existing zone. The Planning Commission will present its recommendation to the Town Council at the February 5 Town Council meeting, where the Council will vote on the matter.

Reporting Fraud - If you would like to report fraud, waste or abuse regarding town resources, please contact Steve Albrecht at (801)882-9146. Reporting Definitions: Fraud - Attempting to obtain something of value through willful misrepresentation. Waste - Squandering money or resources, even if not explicitly illegal. Abuse - Behaving improperly or unreasonable or misusing one's position or authority.

Fire Station - Bicknell will soon have our fire station building returned to the town, and we're already exploring ways this newly available space can best serve our community. If you have ideas or suggestions for its future use, we'd love to hear from you!

Community Garden: It's not too early to start planning your garden for next year. The greenhouse will be open the first of March. Reserve your space now. Contact Carrie, 435-491-0015. First come, first serve basis. \$20.00 per spot in the greenhouse.

CDBG Grant: We were finally given the go-ahead to purchase a greenhouse using CDBG grant funds, and we're excited for this addition to the community garden. The greenhouse will provide opportunities for kids to learn, start seeds, and gain hands-on gardening experience, and we hope it will be installed by the summer.

Beautification Committee: We are looking for a few community members to join the Beautification Committee. The committee meets once a month and works together to identify and plan projects that enhance the appearance of our town. This is a great opportunity to get involved, share ideas, and help make our community an even better place to live.
