Community Garden - Garden boxes and greenhouse spots are still available for rent on a first-come, first-served basis. Secure your spot today! The cost is \$20 per garden box or greenhouse space. We're also excited to share that our second greenhouse is almost finished. The Garden Club kids will soon be filling it with flowers and vegetable plants—stay tuned for a beautiful and productive growing season!

Kids Garden Club - Our first class will be April 9th. This month, we will be starting tomato, pepper, tomatillo, and herb seeds in the greenhouse and learning how a greenhouse helps plants grow strong and healthy. We will also be planting peas outside and watching how they grow in the cool spring weather.

Movies in the Park are back: Mark your calendars for June 5, July 3, August 7, and September 4. We can't wait to gather under the stars for another summer of fun, family-friendly films.
