

Bicknell Town May 2026

Mayor: Noreen Johnson

Town Council: Steve Albrecht, Gregg Anderson, Weston Johnson and Kerry Stevens

Town Clerk: Kelsey Brinkerhoff

Town Treasurer: Carrie Brinkerhoff

Town Maintenance: Scott Woolsey

Planning & Zoning: Ellen Anderson, Jim Dudleston, Connie Durfey, Deann Frazier, and Darci King,

Beautification Committee: Linda Hunter, Thomas Hunter and Cassy Snedeger

Town Clean Up Day: There will be no town-wide clean-up project this year. However, a dumpster will be available on May 9th for residents to use. We encourage everyone to take pride in their own yards and help keep our community looking its best. Thank you for doing your part to keep our town clean and beautiful!

Wildland-Urban Interface Ordinance Adopted - The Bicknell Town Council has adopted a new ordinance implementing the 2006 International Code Council Wildland-Urban Interface Code, as required by Utah state law. This ordinance is intended to help reduce wildfire risks, protect lives and property, and prevent fires from spreading between structures and nearby wildland areas. It also officially adopts the town's Wildland-Urban Interface boundary map, which identifies areas of higher wildfire risk within Bicknell Town. The ordinance is available to view at the town hall or our website.

Regional Growth Summit: The Town Council, Planning Commission, and town staff will be attending a Regional Growth Summit on May 6 in Richfield. This event brings together professionals from across the state to lead training sessions and discussions on important topics such as land use, public finance, legal issues, and more. This event will help bring valuable knowledge and ideas back to our community

Kids Garden Club: We are excited to share that we were awarded the Healthy Food Access Grant, which provided funding to purchase 4 vertical planting containers and strawberry plants. These will be used for the Kids Garden Club, where kids will learn about planting, growing and caring for strawberry plants. We hope to produce enough strawberries to share with everyone in the community!

As part of this grant, we will be conducting a Healthy Food Walk Audit. The purpose of the audit is to identify food access challenges and develop solutions that support healthier living for everyone. During the walk, we will observe food availability and affordability, access to fresh and culturally relevant food options, safety features such as sidewalks, crossings, lighting, transportation, and overall cleanliness. If anyone would like to participate, please meet us at the Town Park on May 12th at 6:30 p.m. We will walk approximately one mile and return to the Town Park for refreshments.

Upcoming Events

May 7

Town Council Meeting 7:00 pm

May 19

Planning and Zoning Meeting 7:00 pm

May 21

Beautification Meeting 11:00 am

May 28

Town Council Work Meeting 7:00 pm

Summer Celebration: Mark your calendars for June 20th. The celebration is returning. Watch for more information in the newsletter and Facebook.

Friendly Reminder: Please help keep our community safe and enjoyable by keeping your dogs in your own yard or properly contained. We have had several dogs wandering around town recently, which can create safety concerns for people, pets, and traffic. We appreciate everyone doing their part to be responsible pet owners and good neighbors.

Annual Drinking Water Quality

Report: The report is available to view at the Town Hall or on our website.

Movie Night: First movie night is June 5th at the Town Park. Movies will begin at dark, and concessions will be available to purchase.
