It is with sadness that we share the passing of our Town Maintenance Man, Scott Woolsey. Scott served Bicknell Town for 25 years maintaining and improving our community. His years of service made a lasting impact on our town, and he will be remembered with appreciation and gratitude. We extend our sincere condolences to his family and loved ones during this difficult time.

Summer Celebration: Our Summer Celebration was a great success! Thank you to everyone who participated in our ATV ride. A special thank you to Kim Torgerson for the history presentation and thanks to everyone who joined us at the town park for food and live music. We appreciate everyone who came out and helped make it a great event!

Stage 1 Fire Restrictions: Due to dry conditions and increased fire danger in and around our community, Bicknell Town has adopted Stage 1 Fire Restrictions. These include:

1. Igniting, building, maintaining, attending, or using a fire (including fires fueled by charcoal or briquettes), except if it is in: a. A permanent metal or concrete fire pit or grate that has been installed and maintained at a developed recreation site; or b. A stove or grill solely fueled by liquid petroleum fuel; or c. An enclosed stove or grill, portable brazier, or a pressurized gas stove in a developed recreation site. 36 CFR § 261.52(a)
2. Smoking, except within an enclosed vehicle or building, at a developed recreation site, or while stopped in an area at least three feet in diameter that is barren or cleared of any flammable material. 36 CFR § 261.52(d)
3. No Fireworks

These restrictions are effective immediately and will remain in place until conditions improve.

Thank you for helping keep Bicknell safe and doing your part to reduce wildfire risk.

We appreciate their generosity and support in helping our young gardeners learn, grow, and enjoy gardening.
