Stay Connected with Bicknell Town:

Sign up to receive important town news, announcements, reminders, and updates sent straight to your phone. It's a convenient way to stay informed about what's happening in our community.

Text JOIN to (850) 741-1598 to sign up.

Town Park:

We are continuing to have issues with vandalism at the Town Park. We ask parents to please remind their children to treat the park, playground, and other town property with respect. The park is for everyone in our community to enjoy, and vandalism takes time and money to repair. Please be aware that security cameras are in use at the park, and vandalism can be reviewed and followed up on when it occurs. Thank you for your help.

What's the Difference Between a Town Council Meeting, Work Meeting & Public Hearing?

Town Council Meeting: This is the official meeting where the Town Council conducts town business, makes decisions, votes on items, and takes formal action.

Town Council Work Meeting: This is a time for the Council to discuss upcoming projects, issues, and ideas, ask questions, and work through details before something may come before the Council for a formal vote.

Public Hearing: A public hearing gives community members an opportunity to speak about a specific item before the Town Council or Planning & Zoning makes a decision. It is a chance for the Council or Planning & Zoning to hear your thoughts, questions, or concerns before voting on the item.

All three are important parts of how the Town conducts business and gives residents opportunities to stay informed and participate.
