WELCOME LETTER FROM THE COACH

**Dear Boerne
Volleyball Families,**

Welcome to the Fall 2026 season of Boerne High School Greyhound Volleyball! Whether you're a returning player or joining us for the first time, we're thrilled to have you as part of the Boerne family.

The 2026 season will be my third season as a Greyhound and 10th year coaching. My why for coaching comes from the impact volleyball has had on my own life and the lessons it's taught me about perseverance, teamwork, and believing in myself. I want to share that same love for the game with my athletes and create an environment where they can grow not just as players, but as people—learning lessons that will guide them long after their time on the court is over

I am a graduate of Endicott College and Azusa Pacific University with my Bachelor's in Sports Management and Master's in Physical Education. In 2022, I was selected to the American Volleyball Coach's Association 30 Under 30 list for High School coaches.

Volleyball is a sport of precision, teamwork, and heart. We believe in building strong athletes and even stronger young women. Thank you for trusting us with this opportunity.

Let's make this season one to remember!

In service,
Coach

Staci Lawrence
