Honest Google Review from our Customer

Thomas

I engaged iDo catering for a dinner service and the experience was overwhelmingly positive. They were very responsive from the get-go, answering my questions and working with me to sort out event details promptly. On event day, everything ran smoothly and their staff delivered a great service. Their buffet packages are very reasonably priced and food quality is good too. I'd be very happy to engage them again the future. Thank you, Team iDo!

KASINNDHASENA

The service team was professional, responsive, and very easy to deal with. Overall, a very satisfying experience — highly recommended and definitely worth trying this catering service!

Aries Ho

We recently ordered the live station catering, and we were very pleased with the setup. The food display counters were nicely presented and looked very professional. The live food stalls we chose — sushi bar, waffle ice cream, chipolatas, and Ikan Bakar — were all delicious and well-prepared. Overall, it was a great experience and definitely added a lively touch to our event!
