INCORPORATION GUIDE HONG KONG

Why Hong Kong?

- Simple tax system, no VAT/GST
- No dividend tax · no capital gains tax
- Easy international transactions
- Strong reputation with overseas partners
- Transparent and stable legal system

Hong Kong is ideal for

- Small & medium business owners (SMEs)
- E-commerce (Amazon, Shopify, TikTok Shop)
- Marketing Agency, Freelancer, Consultant
- Software (SaaS) companies
- Businesses serving international customers

Tax overview

Profits tax: 8.25% on first HKD 2M · 16.5% on the remainder

VAT/GST: none

Dividend tax: 0%

Filing: annual

Capital gains tax: 0%

Note: Incorporating in Hong Kong does not automatically grant a 0% tax rate — your tax obligation depends on where profits arise.
