

## Product Specification

Product: **CATNIP IN GLYCERINE R35260**

Code Number: **3599**

**Product Description:** A liquid extract from the leaf of the botanical Nepeta cataria with glycerin.

**Ingredients:** Glycerin, Catnip Leaf Extract.

| Test                        | Specification                                    | Method                      |
|-----------------------------|--------------------------------------------------|-----------------------------|
| <b>PHYSICAL</b>             |                                                  |                             |
| Appearance                  | Golden brown liquid. Strong, bitter-sweet taste. | COQCL-000001 / Organoleptic |
| Identification - UPLC-MS/MS | Conforms with BRM.                               | COQCL-000020 / ID           |
| <b>CHEMICAL</b>             |                                                  |                             |
| Pesticide Residues          | Conforms to USP <561> Pesticide Residue Analysis | COTP-EURO- / USP<561>       |
| Lead (Pb)                   | <= 0.50 ppm                                      | COQCL-000095 / ICP-MS       |
| Mercury (Hg)                | <= 0.100 ppm                                     | COQCL-000095 / ICP-MS       |
| Arsenic (As)                | <= 0.50 ppm                                      | COQCL-000095 / ICP-MS       |
| Cadmium (Cd)                | <= 0.50 ppm                                      | COQCL-000095 / ICP-MS       |
| <b>MICROBIOLOGICAL</b>      |                                                  |                             |
| TAC                         | <1,000 cfu/g                                     | COQCL-000501 / BioLumix     |
| Combined Yeast & Mold       | <100 cfu/g                                       | COQCL-000501 / BioLumix     |
| E.coli                      | Absent / 10 g                                    | COQCL-000501 / BioLumix     |
| Salmonella                  | Absent / 10 g                                    | COQCL-000501 / BioLumix     |
| Enterobacteriaceae          | <10 cfu/g                                        | COQCL-000502 / AOAC         |
| Pseudomonas Aeruginosa      | Negative                                         | COQCL-000501 / BioLumix     |
| <b>GENERAL</b>              |                                                  |                             |
| Expiration Period           | 60 months                                        | Informational Input         |

### NOTES:

Retest Date: 60 months

Packaging and Storage: 5 gallon white HDPE plastic pail with SBR gasket and HDPE locking lid or 55 gallon blue HDPE plastic drum with SBR gasket and HDPE locking lid.  
Store well sealed at room temperature away from heat and
