

Raven Hutten™ Commercial Music License

Version 2.2

Effective Date: Aug 4, 2026

1. Introduction

This Commercial Music License governs the use of all audio products distributed by **Raven Hutten™**.

By purchasing, downloading, or using any audio product available through Raven Hutten, the customer confirms that they have read, understood, and accepted the terms of this license.

This license grants specific usage rights only and does not transfer ownership or copyright of any audio product.

2. License Grant

Upon successful purchase, Raven Hutten grants the customer a **non-exclusive, worldwide, perpetual commercial license** to use the purchased audio products.

The license permits unlimited use of the music in both personal and commercial projects without recurring licensing fees.

Licensed music may be incorporated into original productions of any size, including commercial, educational, creative, and professional works.

3. Permitted Uses

Payment providers may perform services including:

- payment processing
- billing
- tax calculation
- fraud prevention
- transaction verification
- payment security.

Changes to payment providers do not affect the validity of this license.

7. Content ID

Music distributed by Raven Hutten is not intentionally registered with YouTube Content ID or similar automated copyright enforcement systems.

Customers may freely publish licensed productions on supported platforms.

Customers may not register Raven Hutten music in any Content ID system, fingerprinting service, copyright claim system, or similar technology that could interfere with the lawful use of the music by other licensed customers.

8. Audio Products

Raven Hutten distributes professionally produced royalty-free music for creators, businesses, agencies, educators, broadcasters, filmmakers, developers, and commercial organizations.

Individual products may differ in:

- musical style
- duration
- BPM
- instrumentation
- arrangement
- number of tracks
- production techniques
- included file formats.

Product specifications are published on the corresponding product pages.

9. Permitted Modifications

Customers may modify purchased music for use within their own productions.

10. Restrictions

Purchased audio products may not be:

- resold as standalone music
- redistributed as downloadable audio files
- uploaded to competing stock music libraries
- included within music collections
- included in sample packs
- sold as NFTs representing the music itself
- distributed in any form allowing extraction of the original audio files
- claimed as original musical works
- licensed to third parties as standalone music
- used to build or operate competing royalty-free music libraries.

This license grants usage rights only. Ownership of the music is never transferred.

11. Ownership and Intellectual Property

All copyrights, neighboring rights, trademarks, branding, intellectual property rights,

and all other proprietary rights relating to Raven Hutten audio products remain the exclusive property of Raven Hutten.

Purchasing a product grants permission to use the music according to this Commercial Music License only.

It does not transfer ownership of the music or any intellectual property rights.

Raven Hutten represents that it possesses the rights, permissions and authority necessary to distribute the audio products and grant the licenses described in this Commercial Music License.

12. Warranty Disclaimer

All audio products are provided "**as is**" without warranties of any kind, whether express or implied.

Raven Hutten makes no guarantees regarding compatibility with every software platform, hardware device, operating system, streaming platform, or future technology.

To the maximum extent permitted by applicable law, Raven Hutten shall not be liable for any indirect, incidental, consequential, special, or financial damages resulting from the use or inability to use the licensed music.

Customers remain solely responsible for ensuring that their projects comply with applicable laws, platform policies, and local regulations.

13. AI Transparency

Raven Hutten audio products are created using **Artificial Intelligence (AI)** as part of a proprietary creative production workflow.

Artificial Intelligence (AI) is used as one of the creative production tools together with custom generative methodologies, structured prompt engineering, artistic direction,

manual review, track selection and quality curation to produce the final audio collections. This notice is provided solely for transparency and does not modify or limit the rights granted under this Commercial Music License.

14. Future License Revisions

Raven Hutten may periodically update this Commercial Music License to improve clarity, reflect new technologies, expand permitted uses, or comply with changes in applicable law.

License updates shall apply only to purchases made after the published Effective Date unless otherwise required by law.

Future revisions will not affect licenses already granted under previous versions of this Commercial Music License.

15. Acceptance

By purchasing, downloading, accessing, or using any Raven Hutten audio product, the customer confirms that they have read, understood, and accepted this Commercial Music License in its entirety.
