

Portrait Package

This type of package is ideal for anyone desiring a photographer for portrait / fashion photography. Photographic needs will be met by using a 10'x20' (WxL) studio backdrop. Headshots, Bio / Model shots, Family Portraits, Corporate Photography, Pet Photography, or Object Photography are but a few focuses of the Portrait Package in particular. Any lewd or distasteful photography requests will be denied service without exception. Please note, the hourly rate does not incur an additional charge for backdrop setup or teardown time, however if the session is time-sensitive please let me know and I will do my best to arrange at home or on-site assembly beforehand. As is with any package, I am willing to travel up to one hour from the Milford / Wixom, MI area for your event. In lieu of a backdrop, the rate below is identical for on-site photography at a park, camp, lake, home, or other location where a backdrop is not required.

A per-hourly rate of \$150 is the standard price, however if your session is over three hours, please speak with me for pricing and schedule arrangements. All purchased print processing services are contracted through Smugmug Photo Services of San Francisco, California. By signing this contract, you hereby agree to Fullerton Photography's Master Terms and Conditions listed at the bottom of the website. Advance booking recommended. A minimum of \$150 deposit is required at time of booking. Alterations or additions to printing choices may be made upon request with pricing differences paid by Customer.
