

# Freelance Package

This type of plan is ideal for anyone looking around for a photographer to serve a need. Sometimes the most intimate moments are not those planned months in advance but are simply a collection of photos that \*You\* feel are important. Whether this entails photos of a garden, personal project, scale models or art, cars, collections, or anything else dear to your heart, I am available to assist you in capturing those memories. Though the Freelance Service is intended for individual use, I can also capture group festivities such as sporting events, little league games, parties, or anywhere else a photographer is needed at. I am willing to travel up to one hour from the Milford / Wixom, MI area for your event.

A per-hourly rate of \$150 is the standard price, though for an event where several hours are needed, please call for details and I'm sure we can work out specifics and/or flexible pricing to suit your needs.

By signing this contract, you hereby agree to Fullerton Photography's Terms and Conditions listed at the bottom of the website. Advance booking recommended. A minimum of \$150 deposit is required at time of booking and a contract length of two hours minimum. The Freelance Package includes:

- Great Photos - 100% Satisfaction
- USB of Photos Included
- High Quality Digital "Negatives"
- Online Gallery Hosting
- Redundant Backups of Your Event
- Basic Photoshop Retouching  
(Lighting Levels, Saturation, Cropping, Straightening, Contrast, B&W)
