Ms. Pluviose:

- Saturday Math Academy- Only Math teachers will be here to do STEM or other Math related programs. (We couple this with a Parent program for Sat., possibly an English learning Class) Students who are between 2 and 3 levels are invited to join this program.
- After School Program - Will help our struggling learners. Mr. Horodyski will work on Thursday for tutoring sessions in 2 sessions: 3- 4:30pm and 4:30- 6pm. Promotion in doubt letters will be going home by mail.
- World Literacy Day- Feb 7th is known as “World Read- Aloud Day” also Black History Month and “Love” month. 8th grade is going on a trip that day, so we will celebrate on that Friday 2/9. Looking for parents to volunteer to read in classes in English or Spanish. Also thinking of getting 8th graders to read to 6th graders. Some visitors from Central may come to read to our students. Daily readers on PA as well.
- Leader in Me Workshop- Happened on Tuesday for the parents. About 15 parents participated. There will be 2 more dates to follow to finish the work→ 2/25 and 2/28
- Parent Surveys- Beginning next week and need to be completed by April. They will be sent home soon.
- Improve communication between parents and teachers.
- Stem and Language Program- We have a grant that we intend to use for ENL students to learn english thru STEM activities.
