Principal Pluviose:

- Started Yonder pouch program last week. About 20 students keep saying they forget their pouches at home. So we have been taking their phones to the office. Some students have 2 phones and put the "fake phone" in the pouch. No teachers have encountered any consistent issues so far. Late students have seen an advantage in Yonder not being locked so we have assigned Nancy to lock up the phones.
- New Programs: ENL Afterschool program target reading and math skills
- Saturday Program- test prep, every Saturday (~3 hours) to increase our levels 2 ->3 and 3->4.
- A program for immigrants- target reading and math skills
- Students in temporary housing- target reading math skills
- Training for the programs used, Math 180 and Read 180, will also take place.

- Leader in Me workshop, 3 years to full implementation program. The Lighthouse Team will help promote the program and train the teachers. Students become more involved and responsible leaders in their lives. Looking to implement a few strategies of the program in lieu of a full implementation this year. Parent workshop too!
- Winter Wonderland Concert 12/21 6-7:30pm. Feeder schools will perform with us.

Union/UFT

GRYC/Sonyc

Partners with the Lucumy Foundation and hosted a bake sale to support the animal shelter, raised \$281.31 to donate.

Need the dismissal point changed due to construction that will impede after school dismissal.

Playground will also be affected, so permission slips will go out for walking trips to P.S. 68 park for the sports and physical recreation.
