

Cleaning-cupboard planner

Record what you own and confirm where unwanted products can go.

Storage location: _____ Review date: _____

1 / Inventory - keep, ask for advice, or arrange disposal

Exact product name / purpose

Next action / person responsible

Record instructions by reference. Keep labels on original containers.

2 / Storage check

- ☐ Original containers and readable labels; closures secured as directed.
- ☐ Storage follows each label; access by children and pets prevented.
- ☐ No mixing, combining leftovers or transferring to food / drink containers.
- ☐ Unknown or damaged container: seek advice before handling further.

3 / Disposal plan - verify before travelling

Products / approximate quantities: _____

Receiving event / service: _____

Verified date, time and location: _____

Acceptance / packing questions: _____

Person arranging disposal / date: _____

- ☐ Handover completed. Inventory updated.

A recycling centre may not accept cleaning chemicals. Check the specific service.

Household CleanOut services exclude business waste. Never mix chemicals.
