

Jesus Can Change Everything for Anyone

Impact Report 2024-25

A NOTE FROM OUR SENIOR PASTOR

Scotty Scruggs

Northshore Church Family

I want to thank all of you for the ways you've served our neighbors, the next generation, and those in need over the past year. We saw record attendance at Christmas Eve and Easter in the post-pandemic era. We began refreshing and expanding our spaces through the Greater Things initiative, served alongside thousands of volunteers in schools and neighborhoods, and watched kids and students encountering Jesus in powerful ways. Just as meaningful were the everyday steps people took—joining a group, serving on a team, opening Scripture, praying together, and saying yes to Jesus in ways only He sees. And even when we had to pause our campus in Mill Creek, we were able to celebrate the stories of life change and answered prayer as we came back together as one congregation here in Kirkland.

Through it all, I've been reminded of Paul's words to the church in Philippi, when he wrote, "In all my prayers for all of you, I always pray with joy because of your partnership in the gospel from the first day until now." In both the highs and lows, this past year has been a joy because it's been a team effort. So as you read through this report, I hope you see how your generosity, your prayers, and your willingness to serve have helped so many people say yes to Jesus and seek to follow Him in every part of their lives.

A Year in the Sermon on the Mount

SIDE BY SIDE

In June, after a four-week church-wide study of Scripture on men and women in ministry, we updated our bylaws so that women are now eligible to serve at every level of church leadership, including our Board of Overseers. This step reflects a multi-year, prayerful, Spirit-led process within our board that was marked by humble dialogue and a commitment to congregational unity across differing perspectives.

COMMUNITY

This year we took meaningful steps toward a more connected church family. Through life groups, life-stage gatherings, ministry teams, and care groups, people found a place to belong, be known, and contribute—deepening our life in Christ and our love for one another.

GREATER THINGS

As the Greater Things campaign enters its final months, we're grateful for a season of prayerful generosity that is renewing our NKids spaces so we can better equip the next generation for a lifetime of faith.

John Norman

Northshore Member, Greater Things Building Team

"I'm honored to be part of the Greater Things team, contributing to the planning, design, and construction of our campus modernization. The renovations create an environment that pushes our Kids Ministry forward, and I can't wait to see the impact on kids, families, and all who come. Your generosity is shaping the future of this church—you're not just funding a building, you're fueling God's mission through Northshore."

A NEW SEASON FOR NEXT GEN

This year our Executive Pastor, Gary Lindsay, stepped into a new role as Executive Pastor of Next Generation, leading our Kids and Students teams and strengthening support for parents and families.

“What excites me most about leading our Next Gen team is seeing students discover their faith and leadership voice—and empowering them to use it. I love equipping the next generation to step into real ministry and guiding our team as we build a strategy to reach kids and students with the hope of Jesus.”

—Gary Lindsay
Executive Pastor of Next Gen

MIDWEEK

During our leadership transition in Student Ministry, we listened to students and parents and made key updates to **Midweek** (our weekly gathering for grades 6–12), resulting in **34 new students** connecting with Northshore this fall. Be praying with us as we search for our next Student Pastor.

STUDENT LEADERSHIP

This fall we launched a **Student Leadership Team** to help high school students grow in faith and lead through service.

5TH & 6TH

Also, this fall we launched a **new Sunday experience** for 5th–6th graders to explore faith, build friendships, and prepare for the years ahead; student attendance and volunteer engagement have both increased.

ADULT VOLUNTEERS

One of the most important pieces of a young person’s faith is the presence of caring, Christian adults in their lives. This year we grew our volunteer base in both Kids and Students, and we’re praying for more adults to serve. Be praying about how God might be inviting you to **invest in the next generation** at Northshore.

GENEROSITY

TRANSFORMATION THROUGH GIVING

Generosity is one of Northshore’s defining marks. Across Greater Things, Giving Tree, and the Together For Fund, more people are faithfully investing in ministry through this church.

2024/2025 GIVING

“For nearly two years, I have struggled to find work. I applied to hundreds of jobs with no offers, and my family came very close to losing our home. By God’s grace I recently started a contract job. As a step of faith and thanksgiving, I would like to give a special offering from my first paycheck. It is my way of honoring the Lord and giving back the first fruits of what He has provided.”

—Northshore Giver, July 2025

Giving to the **General Fund** fuels all ongoing ministry at Northshore, and 10% of every General Fund dollar goes directly to our mission partners and missionaries.

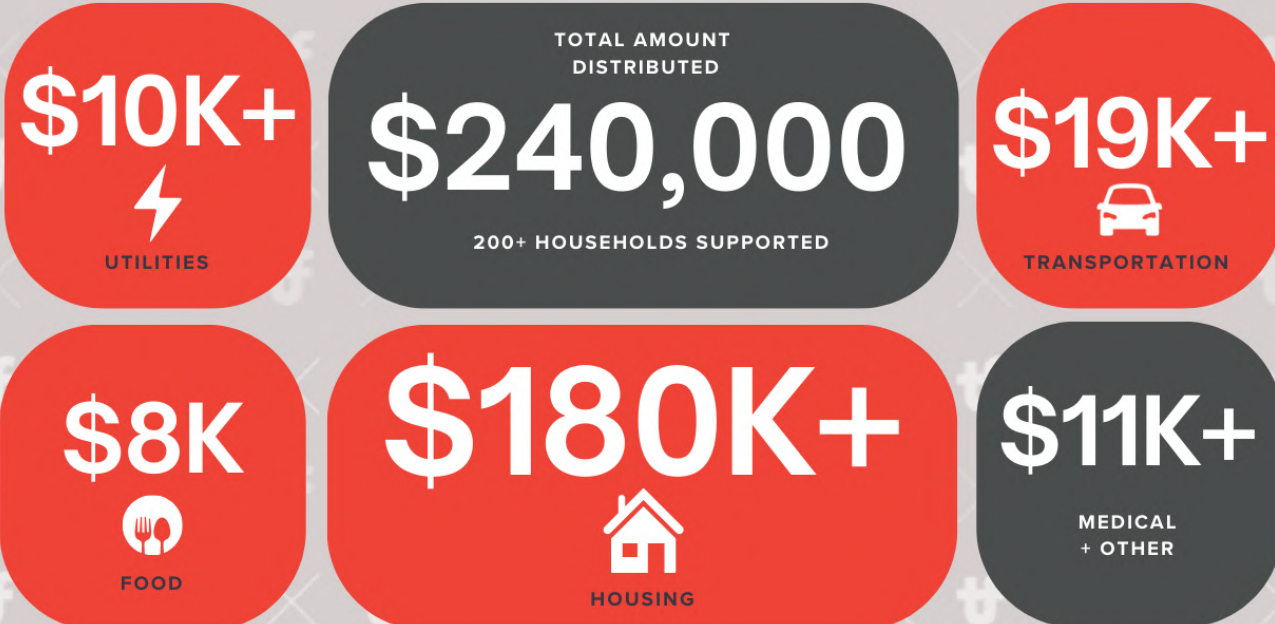

As the needs in our church and community continue to rise, we invite you to **prayerfully consider a next step:**

- **Start** giving
- Set up **recurring** giving
- **Increase** your percentage of giving

tf | TOGETHER FOR

WHAT IT IS

While the General Fund fuels ministry, staff, and operations, the Together For Fund (formerly known as the Compassion Fund) supports individuals and families in crisis, both in our church and our community.

“

“When I got out [of transitional housing], I didn’t have anywhere to go, and that’s where the church came in. This church has been so supportive. They helped me with my rent. They provided me gas cards so I had food to eat. To know that God is providing for me has literally changed my life.”
