Learning Objectives

- Use the Serving Leader Compass to examine and clarify personal DNA, core values, mission, Great Purpose, and vision.
- Identify and prioritize spheres of influence by considering where they currently invest time and attention, what matters most for their future, and where they want to focus their leadership growth.
- Describe the Five Actions of Serving Leadership™ and consider how each action can be applied within a chosen sphere of influence.
- Develop greater leadership self-awareness by reflecting on their inner compass, the difference they want to make, and practical next steps for continuing their leadership journey.
