THE IMPORTANCE OF EFFECTIVE MAINTENANCE

Trimech offer preventative refrigeration & air conditioning maintenance solutions for both commercial systems to minimise the possibility of a breakdown.
Regular maintenance servicing also maximises the efficiency of operation, reducing unnecessary repair costs.

For your convenience, our refrigeration & air conditoining maintenance servicing can be customised to suit your needs. Packages can be developed on a Monthly, Quarterly or Annually basis as well as one off services.

Trimech delivers a fast and effective service on all types of air conditioning plus commercial and industrial refrigeration equipment. Our 24 hour service team consists of fully qualified refrigeration and electrical technicians.
Trimech are specialist service providers to Mining Companies, Hospitals, Aged Care Facilities, Clubs & Hotels, Infrastructure Providers, Banks, Restaurants, Supermarkets and Butcher Shops. Some of our Customers include

Goulburn Workers
