THE HERO'S PATH

# What do you want the rest of your life to be about?

THE CROSSING is the signature passage of The Hero's Path. Five days to step out of role, let go of what no longer serves you, reconnect with aliveness and build a next chapter that feels true again.

*nothing is wrong. you've simply outgrown what brought you here.*

## 1 See clearly

*what no longer feels right?*

Everything works. Something is missing, You have felt it for a while. Here, you look honestly at what is.

## 2 Find Yourself

*who are you underneath success?*

Separate what is truly yours from role, expectation, status and duty. Discover your true identity.

## 3 Break through

*what is holding you back?*

Identify the patterns, fears and beliefs that keep you in a life that works but no longer fulfils. Leave them behind.

## 4 Come Alive

*what makes you feel alive?*

Reconnect with energy, curiosity, joy and the experiences that make time disappear.

## 5 Build your Next Chapter

*how do you transform your life?*

Make new choices. Turn clarity into decisions for life and work. Write your Next Chapter Manifesto.
