

ONLINE OFFSHORE DELIVERY

Transform your career and gain valuable skills with an Australian VET qualification without leaving your home. Our Online offshore programs bring the experience of studying an Australian VET qualification directly to you, offering industry – relevant courses recognized by the Australian Qualification Framework (AQF).

Diploma of Business (Compliance) BSB50120

This qualification reflects the role of individuals in a variety of Business Services job roles. These individuals may have front-line management accountabilities. Individuals in these roles carry out moderately complex tasks in a specialist field of expertise that requires business operations skills. They may possess substantial experience in a range of settings, but seek to further develop their skills across a wide range of business functions.

Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this qualification at the time of publication.
