

Dear Valued Partners,

Welcome to the May edition of our newsletter. This month marks a significant milestone for the Danford Group as we celebrate **19 years of excellence** in education, and we are proud to share our journey with you. We have a busy month ahead, packed with industry events, hands-on experiences, and professional development opportunities.

CELEBRATING 19 YEARS OF DANFORD COLLEGE & BAYSIDE ENGLISH

This year, we are thrilled to celebrate our 19th anniversary! For nearly two decades, Danford College and Bayside English have been committed to delivering high-quality education and fostering a multicultural and supportive environment for students from all over the world. We thank you, our agents, for being an integral part of our success and growth. We look forward to many more years of partnership and student success.

New Appointments in Strategic Growth and Marketing

Susan Inerra
Director of Strategic Growth and Student Recruitment

Danford is pleased to announce the appointment of Susan Inerra as our new Director of Strategic Growth and Student Recruitment. We are excited to introduce Susan to our valued agent partners. Susan brings extensive experience in international education and a strong track record of building successful partnerships with agents worldwide. In her new role, she will work closely with our agent network to expand our global reach and strengthen collaboration. We warmly welcome Susan to the team and look forward to working together to support students from across the globe.

Daniela Olaya
Marketing and Student Recruitment Officer

Danford College is pleased to introduce **Daniela Olaya** as our new **Marketing and Student Recruitment Officer**. Daniela brings a background in marketing and a strong commitment to supporting international students. She looks forward to connecting with our agent partners and learning from their expertise to better serve prospective students interested in Danford College. We are delighted to have Daniela join us and are excited about the fresh perspective she will bring to our team.

Student & Agent Events Recap

This month was incredibly active, with several successful events that highlight our commitment to industry engagement and hands-on learning.

Industry Talk: Open BIM with Archicad & Solibri

On the 1st of June, we hosted a highly engaging industry talk with **Waldemar Jenek**, a Design & Digital Innovation Leader. The session, 'Open BIM with Archicad & Solibri,' provided students with a deep dive into the workflows and integration of these powerful design tools. The talk was a great success, with students gaining practical knowledge that bridges the gap between study and industry practice.

Industry Talk: 'BIM Lifecycle' with Carlo Rivala (May 14)

Our previous industry talk with Carlo Rivala on the 'BIM Lifecycle' continues to resonate with our student community. It served as an excellent primer for our June events and reinforced the value of understanding the full lifecycle of building projects.

Professional Development Opportunities

This month was incredibly active, with several successful events that highlight our commitment to industry engagement and hands-on learning.

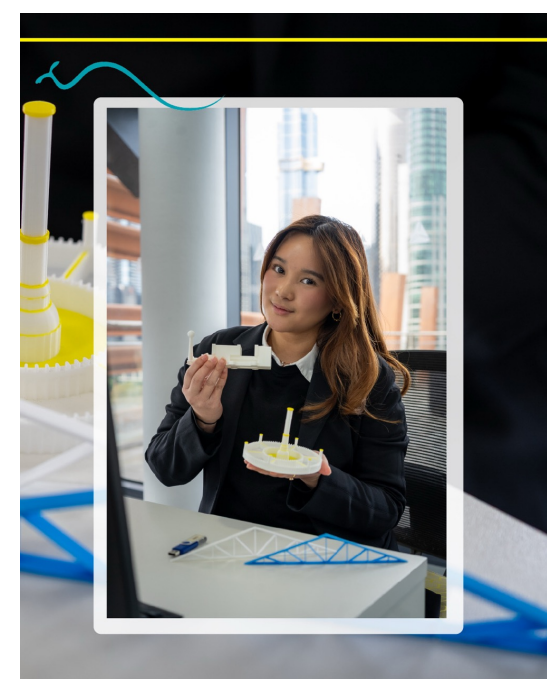

Two-Day Archicad Intensive Workshop

The two-day intensive Archicad workshop concluded at the end of May, providing participants with in-depth, hands-on training. We look forward to seeing the innovative projects that will emerge from this initiative.

3D Design Experience

We also enjoyed hosting our agent partners for the 3D Design Experience on May 7. It was a pleasure to see you engage with the technology and create personalised key holders through 3D printing. These experiences showcase how Danford College is preparing students for the future of engineering and innovation.

Exciting Partnership: Internships with Readygrad

We are pleased to announce a new partnership with Readygrad, a leading provider of internship programs. This collaboration offers our students a direct pathway to gain practical, industry-relevant work experience in Australia.

Benefits for your students:

- Access to a wide network of host companies
- Professional development and career mentoring
- Enhanced employability skills
- A competitive edge in the global job market

This initiative underscores our commitment to providing holistic education that bridges the gap between study and employment. Encourage your students to take advantage of this valuable opportunity!

LOOKING AHEAD

As we move into the second half of the year, we are excited about the momentum we have built. With our new team members, Susan Inerra and Daniela Olaya, onboard, we are well-positioned to support you and your students more effectively. We are committed to continuing our focus on **BIM, Archicad, and digital innovation**, ensuring that our graduates are workforce-ready.

Thank you for your ongoing partnership. We look forward to working with you to recruit and support the next generation of industry leaders.

Warm regards,

Danford Team
