Who We Are

Social Sticks was started by four local lads with a passion for golf, good times, and doing something different. We've brought something new to Bromsgrove.

A place where you can swing a club, throw a dart, share a laugh, and enjoy great drinks all under one roof.

This isn't just about golf; it's about creating a welcoming space that brings people together and helps breathe new life into the town centre.

So whether you're here for the simulators or just a sociable pint, thanks for supporting local.

We're glad you're with us.
