

Workplace First Aid & CPR Training

On-site HLTAID011 & HLTAID009 training, delivered to your team where they work.

Under Victoria's OHS Act 2004, employers must provide adequate first aid facilities and trained first aiders - WorkSafe Victoria's Compliance Code sets out how many. Scope Institute (RTO 45946) delivers nationally recognised HLTAID011 and HLTAID009 training on-site, with minimal disruption to your day.

HLTAID011 – Provide First Aid (Incl. CPR)

STANDARD PRICE

\$135

per participant

**Group booking discounts available - contact us for a tailored quote.*

- Blended delivery: Self-paced online theory + 3 hr on-site practical assessment.
- Covers CPR (adult, child & infant), AED use, DRSABCD, bleeding, shock, fractures, burns, anaphylaxis, asthma, seizures, stroke & incident reporting.
- Valid 3 years - CPR renewed annually.
- Minimum group size for on-site training: 10 participants per session.

WHAT YOU GET

3 Statements of Attainment - HLTAID011, HLTAID010 & HLTAID009.

HLTAID009 – Provide CPR

STANDARD PRICE

\$90

per participant

**Group booking discounts available - contact us for a tailored quote.*

- Blended delivery: Self-paced online theory + 2 hr on-site practical assessment.
- Covers CPR (adult, child & infant) and AED operation per ARC guidelines.
- Ideal for yearly CPR updates, or as a standalone course.
- Minimum group size for on-site training: 10 participants per session.

WHAT YOU GET

1 Statement of Attainment - HLTAID009 - renewed annually.

Custom First Aid Kits

Workplace-ready kits, built around what your team actually needs.

Base Kit

- ✓ WorkSafe-compliant base workplace first aid kit, suitable for general office, clinic and small business environments.
- ✓ Includes wound care, bandages, burns treatment, resuscitation face shield, PPE and incident-response basics, in line with WorkSafe Victoria's Compliance Code: First aid in the workplace.

Custom Kit Add-Ons (Recommended)

- ✓ Adrenaline auto-injector (EpiPen-style) for anaphylaxis response.
- ✓ Asthma relief inhaler with spacer for asthma-trained workplaces.
- ✓ AED-related supplies and signage.
- ✓ Burns modules, eye wash supplies, and additional dressings for higher-risk environments.
- ✓ Custom incident report form pads for your workplace.

Pricing & How to Get a Quote

All training and kit pricing is provided by custom quote.

- ✓ Training pricing follows a tier structure based on volume, preferred session timing and course type (HLTAID011 and/or HLTAID009).
- ✓ Kit pricing depends on the base kit and any add-ons selected for your workplace.
- ✓ Fill out the enquiry form below - we'll match you to a tier and send a tailored quote.

Not sure what your workplace needs? We'll include a free WorkSafe-compliant first aid risk assessment with your quote.

Why Choose Scope Institute

- ✓ Nationally recognised Statements of Attainment (ASQA-registered RTO 45946).
- ✓ Group sessions ranging from 10 to 20 participants - minimal disruption to your day.
- ✓ Flexible scheduling, including evenings and weekends.
- ✓ Compliance handled for you: Opt-in reminders before CPR (yearly) and First Aid (3-yearly) renewals are due.
- ✓ Training delivered by experienced, qualified assessors.
- ✓ Certificates issued within 1 business day.*
- ✓ Proudly part of Scope Healthcare - Victoria's trusted healthcare group, home to Heartscope, Sleepscope, and Scope Radiology.
